COLD OPEN

Reed Richards ponders the universe with the council of Reeds.

Mr. Fantastic

Panel 1

Main Reed

You think they ever get backed up at the gates of Heaven? Too many people die at once, it just overwhelms the system?

Panel 2

Alt Reed

It’s gotta be like the DMV on a Friday. “Everyone take a number, you’ll be judged in the order you slipped the surly bonds of Earth.”

Panel 3

God’s angry at St. Peter. “What’s

going on? Keep the line moving!”

“I’ve got three angels on vacation -

what do you want?!”

Panel 4.

The Creator

All these poor souls just standing

around, reading old

magazines. “This is taking an

eternity. I could’ve been in Hell

by now!”

Thank you.

Panel 3

Literally the least we could do. Unless you wanted us to do less. If you truly wanted less, I’m sure we could find a way.

Panel 4

THE FIREFIGHTER AND OFFICER NOD. “WHAT IS THIS GUY?”

Page 6 Panel 1

Ben Grimm

So, an INTERESTING week.

FIREFIGHTER

These have been the worst four days of my life.

Panel 2

Ben Grimm

Horrible, horrible. And yet, it must be just a bit exciting.

POLICE OFFICER

Excuse me?

Panel 3

Ben Grimm

Well, men in your profession - you want to save lives, face danger head on. If ever there was a time...

Panel 4

FIREFIGHTER

Buddy, I watched the South Tower collapse on half of my engine. You saying I wanted that to happen?

Page 7. Panel 1.

Ben Grimm

No no, I’m just SUGGESTING -

POLICE OFFICER

Suggesting WHAT?

Panel 2.
